

Instructions for the Poster Presentation

1 –Maximum Dimension of the poster

Width = 0,90 m
Height = 1,20 m

In order to fasten the poster, there will be a fastener at its superior part.

Important: The dimensions must be obeyed rigorously.

2 - Schedule

2.1 - Assembling and disassembling

The posters will have to be assembled on **May 15th, from 3:00 to 4:00 pm, in the Mauro Mota Hall.**

They will have to be disassembled immediately after the session.

ABRACO will not be held responsible for any loses or damages to the posters after the end of the session.

2.2 – Poster Presentation

Thursday – May, 15th

Schedule: 4:00 to 6:00 pm

The presence of the author is obligatory throughout the session so that the work may be divulged on a CD-rom.

3 - Presentation

There will be no simultaneous session during the poster presentation.

A 220V connection for notebooks will be available.

4 - Awards

The best poster will be awarded. Items to be evaluated are: text and presentation.
